

Happy Days?

You will hear three people remembering their schooldays. Fill the gaps with information from the recording.

ISHIA

Ishia was disappointed by her grammar school because (1)

She was bored because she spent all her time (2)

Her school turned her into (3)

MIKE

According to Mike, the American High school system provides a (4) education than the English system.

The main benefit Mike got from this school was (5)

CHRISTINE

Christine, who went to school in Scotland, describes four phases the ways the girls viewed the boys:

- From the ages 5 to 10 ½ she thought boys were (6)
- From (7) the girls ignored the boys and thought they were beneath contempt.
- At (8) they admired (9) but they found boys their own age utterly contemptible.
- In they last years of school the boys and girls formed (10)

Christine remembers Miss Rae, who was a (11)

Pupils who (12) were victimised by Miss Rae.

Anne Black was punished because she was (13)

and she spelt words in the way she (14) them.

Since that time Christine has always (15) of teachers

intimidating pupils.
