

In my opinion, tipping is good, because many servers are polite and helpful.

- | I ~~tipping~~ when the server is good. When the server isn't polite and
- | helpful I don't ~~tipping~~, because I think that the server ~~don't~~ doesn't
- | deserve it.
- | In Spain, I think ~~that that the~~ servers ~~earn a little~~ don't earn much
- | money, and if people ~~tipping~~, the servers will earn more money.
- | On the other hand, in other jobs ~~the~~ people never ~~tipping~~, and I think that all the jobs are very hard.
