

Dear Lucia,

In my country, there are a lot of traditional festivals. I think that the most important festival is Christmas.

| The most important ~~C~~hristmas days are 24th, 25th and 31st |
| ~~D~~ecember, and 1st and, 6th of January.

This festival celebrates the birth of Jesus. "Jesus" was a person that helped other people.

| On 24th December and 25th December, the families have lunch and ~~have~~ |
| dinner together, but on 31st December many people have dinner in a hotel |
| with their friends, and at midnight everybody eats 12 grapes.

| On 6th January the children get a lot of toys and gifts. They think that they |
| get the presents from the 3 Three Wise Men.

| ~~I~~n During this celebration, many people buy a big tree and decorate it.

| I think that it is the best festivals in my country. What's the most important |
festival in your country?
