

| In my opinion, ~~the~~ tips ~~is~~ are very important for some workers. For
| example, if you are working in a pub, ~~how~~ as a waiter or a waitress, ~~the~~ tips
| can help you ~~so much a lot~~, ~~b~~ Because the salary is very poor. But ~~it~~ also
| think ~~t~~ That, ~~if~~ y You ~~Had~~ didn't received ~~bad~~ a good service, you should not
| leave a tip. I do not understand why in some countries is required to tip, ~~the~~
| ~~tip~~ ~~b~~ Because, for me, ~~That~~ this is ~~a detail you want to make a way to thank~~
| the worker.

| My name is Alejandra Barreiro. I'm twenty--three and I'm from Mieres.
| When I was a little girl, I lived in a small ~~town~~ village of in Mieres, called
| Turón, but when I was sixteen, my parents separated and I moved here with
| my dad. I started a new live life here, with new friends and new hopes. In
| 2003 I started my studies in the EOI of Mieres, but in 2005 I started to
| study ~~P~~ psychology in the University of Oviedo, and the ~~class~~ es were in the
| evening, ~~and~~ so I couldn't ~~went~~ attend the EOI, ~~so~~ and I left. So in 2010,
| when I finished my studies, I ~~return~~ came back to study English because it's
| very important for ~~all~~ everything.
| This year I'm very stressed because I'm working and studying. I'm studying
| in the morning in an academy in Oviedo, and in the evening, before I go to
| the EOI, I work. But, I'm happy, because I like doing very lots of things.
