

LETTER TO MY FRIEND.

Dear Joan,

The most important festival in my village, Mieres, is "San Juan", on 23st June. Everybody ~~held~~ celebrates this festival to welcome the summer. There are lots of things to do on ~~this~~ these days, and there are lots of people who want to spend their free time with "mierenses". ~~Habitually~~ Usually, people sing and dance in the park listening to ~~musica~~ music and drinking ~~vozka~~ vodka with a vase in their right hand. Other people dance next to the fire, in the center on Mieres.

Personally, I don't like this party and I never go, but it maybe ~~you can~~ that you like this festival ~~so~~ very much.

See you soon.

WRITE MY STORY.

Nobody knew what Adam had in his suitcase, to spend his Christmas holidays. Adam, like everyone else at this time, was happy because he was going to share Christmas with his family. He ~~spend~~ had spent the month buying food, chocolates and gifts so that everything was ready to spend a few special days ~~whit~~ with his family, so he had his suitcase full of toys for his cousins and present for his parents, but nobody knew it until he opened his suitcase and he started to give the presents.

That's all. I hope that Adam (and everyone) has happy Christmas and a happy new year.
