

Dear Michael and Anne,

| Sorry for not ~~writting~~ writing earlier but I've been working in Switzerland this month.

| I'm writing to thank you for letting me stay with you in January. The weather was very rainy and wet but I lovedd it.

It was very nice to meet your friends, they were very friendly and polite with me. The monuments were fantastic! I liked the castles and the green fields. And the nightlife was very good!

For the last month, I've been very busy because I've been working in
| Switzerland as a ski instructor. My students were six year-s olds and they were very disobedient and noisy, but I like working with children.
| Yesterday, I matriculated in an English course and I have class on Tuesdays
| and Thursdays, ~~also~~ I'll also work as baby-sitter. I like being busy!

Anyway, that's all for now. Thanks again for everything.
Don't forget my invitation to come to Ujo. May would be a great time,
| because ~~Ujo will be in party~~ there's a festival.

Hope to hear from you soon.

Love

Ana
