

Dear Claudio and Luisa,

Thanks so much for having me to stay with you in April, I had a great time. England is nice ~~but~~ even if a bit cold and my English is so much better now.

It was ~~very nice~~ great to stay with you and meet your relatives and friends, I have really good memories about of them all. Someone ~~who~~ I'll never forget is your cousin Mark, ~~h~~He was ~~very~~ so friendly and talkative.

For the last four weeks I was studying for my exams, I have all of them next week and I hope to pass them. I have ~~been~~ also been studying for my driving licence, the exam will be ~~after next week~~ in 2 weeks and I hope to get pass it because if I ~~passed do the exam~~ maybe my grandmother ~~would~~ will buy me a car, It'd be fantastic!!!.

~~By the way,~~ That is all for now. I hope you want to come to Spain in summer, the weather is warm and there are adorable beautiful beaches. My relatives and friends are looking forward to meet meeting you.

I hope to hear from you soon.

Best regards,

Joel.
