

Dear Joaquin,

| Sorry for not writing to you this month buy I had a lot of exams and I was studying a lot.

| I'm writing ~~you~~ to thank you for letting me stay with you in July, it was great. I think that I learnt a lot of Spanish and I met a lot of friendly people.
| The weather was perfect and I liked ~~so much~~ the beach so much, because in
| Scotland it's very too cold to go to the beach.

| It was very nice to meet Pablo and Carlos. ~~There~~These were ~~a~~ very happy
| days, especially when we went to see the match with between Barcelona and
| Sporting. ~~Also~~ ~~it~~ was also amazing ~~the~~ that day when we go went to the
| amusement park.

| ~~The~~ ~~I~~ last month was also funny good, but not enough as good like as
| there. I was studying for a subject that I failed in ~~the~~ school. ~~The n~~ Next year
| will be the last one at ~~the~~ school, and I have to study because I want to ~~do a~~
| career go to university. Apart ~~of the from~~ school, I had to train with the
| football team because I had gained a few kilos, and it's not good for my
| form shape.

| Well, that's all for now. I hope that ~~the~~ next year you can come to
| Edinburgh. Here it's very cold so we won't go to the beach, but there are
| many other very interesting things to do. Thanks again for everything.

Give my regards to Pablo and Carlos.

Best wishes.

Sergio
