

Dear Anna:

I hope you're well. I'm writing because I want to thank you for letting me stay with you and your university friends ~~of university~~ last month.

The weather was lovely ~~all days~~ everyday. It's not raining all day as ~~they~~ people say.

I'm very pleased because my English is better now and I can speak very well. I visited a lot of wonderful places and historical monuments. I'm surprised d because in Britain people are very so friendly.

I would like to visit more places ~~of in~~ England so I'm sure that I'll go there next year.

I'd ~~like love it that if~~ you ~~can could~~ visit me this year. It will be a pleasure for me.

So thanks s for ~~invited~~ inviting me and I hope you will come here.

Best wishes.

Verónica (1º NIC)
