

Last month I ~~have~~ stayed at your Hotel and I want to give ~~you~~ my opinion. ~~It~~
~~rReally-it's is~~ a charming ~~h~~Hotel, I booked a triple bedded room for my
husband, my son and me, and we liked it very much.

It had stunning views and it was very big and comfortable. On the other
hand, there were a lot of things I didn't like ~~so much~~. You explain on the
webpage that the ~~h~~Hotel is close to the bus station, but it isn't true, there is
600 ~~meters~~~~res~~ between the Hotel and the bus station, and my son ~~is~~ only
four years old and ~~it~~ is difficult for him to walk this distance twice a day or
more.

We didn't like the food, either. We stayed at the ~~h~~Hotel ~~for~~ four days and we
ate the same food everyday. Furthermore, the soup was cold and the
vegetables and the meat were horrible. Breakfast was good, but the rest of
the meals were very bad.

I thank your staff for the service, because they are very nice, especially ~~Jane,~~
the receptionist, ~~Jane~~. She 's very kind, she helped us with the language (we
don't speak ~~a~~-good English) and she took care of our child for a while when
my husband had an accident. I went with him to the ~~h~~Hospital and my son
stayed at the Hotel with her. She's a fantastic person.

It's true ~~has-that~~ your ~~h~~Hotel has a children's' indoor soft playground, as
you say on the webpage, but ~~the days we were over there~~, it was closed
~~every day we spent there~~ and my son couldn't play. That playing area was
the main reason to choose your Hotel for our holidays, and it was terrible to
find out that we couldn't use it.

After dinner, we used to go to the bar to have a drink before going to bed.
The bar is fantastic, it has a soft light, nice music and it's very cheap.

As you can see, my opinion about the Hotel is very different depending on
weather you travel with children or not. For adults, I think it's a good
~~h~~Hotel, but it's very boring if you travel with children.

And of course, you can book breakfast, but It's better if you have lunch and
dinner outside the Hotel, in other restaurants. There ~~are is~~ an Italian
restaurant and a fast-food restaurant near the Hotel, both of them very nice
and the food is good. I recommend them

I hope my opinion can help somebody!-
